From

The Secretary to Government,
Public Works Department,

Letter No. 3391.H/SE/53-2 dated 28-3-53.

Sir, 31579

Sub:- Allowances--Travelling Allowance--special supervisor for preparation of plans and estimates for construction of school buildings in Bellary Dt. Drawal as per M.T.A rules--sanction requested.

Ref:- G.O.Ms.No. 617 P.W. dated 14-2-53.

Government in their order cited above, sanctioned a special staff consisting of one supervisor and one draftsman III Grade for the prpparation of estimates for the construction of District Board Building works in Bellary District for a period of 6 months from the date of appointment.

The Headquarters of the spodial supervisor has been fixed at Bellary. The buildings for which plans and estimates etc have to be prepared, are situated at different localities and are scatter throughout the District. The special supervisor will have therefor to go from place to place to inspect the various places and to collect necessary data required for the preparation of estimates. As his jurisdiction is not limited and as he has to perform journeys throughout the district, he will be put to much loss, if he is allowed to draw F.T.A of Rs 45/- as in the case of regular supervisor It is therefore considered that he may be allowed to draw T.A as per M.T.A. rules.

In the circumstances explained above, I request that sanctio of Government may please be accorded permitting the special supervisor to draw T.A. as per M.T.A. rules with effect from the date of his joining duty.
